## QUALITY POLICY

---

SpanSet has been manufacturing quality synthetic products globally for over 50 years. SpanSet Australia specialises in manufacturing Height Safety, Lifting and Load Control devices such as harnesses, slings and webbing.

We maintain and continuously improve our Integrated Management System that complies with the requirements of ISO 9001:2015 as well as relevant legal, customer and product requirements.

The management team makes the following policy commitments to satisfy the applicable requirements:

- Taking overall responsibility and accountability for the effectiveness of the Integrated Management System (IMS);
- Ensuring that the IMS objectives are established and compatible with the organisation's strategic direction as per QP020 Business Objectives development.
- Ensuring the integration of the IMS requirements into the organisation's business processes;
- Ensuring that the resources needed to establish, implement, maintain and improve the IMS are available;
- Communicating this policy and the importance of effective quality management and of conforming to the IMS requirements to all workers;
- Ensuring that the IMS achieves its intended outcomes;
- Engaging, directing and supporting persons to contribute to the effectiveness of the IMS;
- Committing to and promoting continual improvement; and
- Supporting other relevant management roles to demonstrate their leadership as it applies to their areas of responsibility.

This Quality Policy applies to our directors, employees, contractors, and any person or organisation representing us as suppliers in their activities for and on our behalf.

A handwritten signature in black ink, appearing to be 'A. M. D.', is written over a light blue horizontal line.

Approved by the Managing Director
